SPIRITUAL SNACKS (PAPERBACK)

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many people explore beliefs where they are asked to search their inner-self and find the strength within them. There are others who try to search for the meaning of life by doing good works to achieve salvation. The answer is all within the 66 books of the Bible. Some are overwhelmed by the number of pages and become very wary of reading it. The author's goal is to walk you through the Bible and give you a layman's view of its contents. The meaning of the Bible seems confusing. This book will bring all this confusion back to the basics, and add humor along the way. It's a fun story line that is simple to read and shows that the meaning of life has been consistent and simple throughout man's existence from Adam until the present day. Spiritual Snacks is designed to whet your appetite and encourage you to read and study the Word of God for yourself and discover the awesome way God will speak to you personally through His word. It will eliminate your fear of approaching God on a personal level and lead you to understand God's love for you and His desire for fellowship with you.
