A one night stand in Vegas can lead to much more than just jumbled memories. Melanie Ingles finds herself married after spending the night with Alexander Pope, but she's too embarrassed to do anything about it the day after. Two years later, she finds herself in a sketchy engagement with an upscale, soon-to-be lawyer in New York. She's intent upon going through with the wedding, but one thing stands in the way. A trip to Vegas for a divorce is imperative. Alexander Pope has spent the past two years fornicating with anything he can get his hands on to forget the scent of lavender in the morning. His biggest regret in life is letting go of Melanie Ingles when he had the chance to ask her to stay forever. He's a successful business owner rather than just a bouncer at a club, but he's soon going to face the wrath of the real business owners in Vegas. The mob. Brutality, violence, and love all get tangled up in Vegas. Will a one night stand lead to love? Can Alexander escape the grasp of his enemies? And will Melanie make the biggest mistake of her life? This item ships from La Vergne, TN. Paperback.
