Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Modesto Mante)

THE EXILE

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. For the President of the United States, the daily horror of life in West Darfur s killing fields just hit heartbreakingly close to home. His niece, Lily, has been targeted and savagely murdered by a corps of fearsome government-backed militiamen. With the situation too explosive for diplomatic or military solutions, yet with the President and the public thirsting for revenge, America is out of options. Except one: Ryan Kealey, ex-Special Forces, former CIA, and unrivaled counterterrorism expert. Kealey has been central to the war on terror for over a decade. But after the Agency hung him out to dry and let his lover die he turned his back. Until now. For the government has revealed its trump card, the one thing Kealey will risk everything for. Soon, from the lawless streets of Sudan to the highest levels of the American government, Kealey unearths secrets and betrayals that shock even his war-tempered sensibilities and ignite a conflagration with unknowable global consequences.
