THE NATURE OF ANIMAL HEALING

Random House USA Inc, United States, 2001. Paperback. Book Condition: New. New edition. 208 x 140 mm. Language: English . Brand New Book. A pioneering revolutionary prescription for the health and long life of your pets For two decades, Dr. Martin Goldstein--America s most successful, renowned holistic veterinarian--has healed and helped his animal patients with the same natural therapies that benefit humans. The results have been so astounding that today critically sick pets are brought to him from across the country for a new chance at life and health. In this compelling, very accessible book, Dr. Goldstein explains exactly what holistic medicine is and how it works. By treating the root of a health problem instead of its symptoms, you too can help your animal to regain and maintain its own health, as nature intended. Dr. Goldstein also shares many remarkable true stories of supposedly terminally ill animals who have recovered to full wellness. Inside you ll discover - Why our animals get sick, even when we strive to give them the best of care - An exhaustive A to Z guide of pet ailments--and the best course of action - Why vaccines can do more harm than good - The link between diet and disease--and how the right diet can not only prevent disease but reverse it - How acupuncture, homeopathy, chiropractic, and other alternative options work--safely and painlessly--to restore true health - Specific guidance for the use of herbs, supplements, and natural remedies - The good news (and the bad) about cancer in animals--including extraordinary new treatments and potential cures - Coping with the inevitable death of your pet--both physically and psychologically And much, much more PLUS--the ultimate resource for holistic pet care: an extensive guide to holistic product manufacturers and stores, books, newsletters, Web sites, veterinarians, and...
