THE RESTLESS HEART OF MAN

Createspace, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: Japanese . Brand New Book ***** Print on Demand *****.About the Author An introduction to the author by John Thornhill S.M., S.T.L., Ph.D.(University of St.Thomas, Rome), Honorary Doctorate (Australian Catholic University). Thomas Sigley has for many years been a High School teacher in Japan. He has published a comprehensive review of evolutionary theory, and a study of the subtexts of Australian prose literature. This book, however, a sharing with the reader of his personal search for the final goal of man s evolution is written for the general reader. Sigley argues that the goal of our human existence is to be found in the biblical writings of the Judeo-Christian faith tradition. Though he puts his case in simple, down-to-earth language, his text is far more than the reflections of an individual. He has read widely, and is aware of the great advances made in the critical appreciation of biblical literature in recent times. He skillfully introduces the reader to two outstanding 20th century interpreters of the Scriptures, C.H.Dodd, widely recognized as one of the greatest biblical scholars of our times, and the pioneering ecumenist, Michael.
