Angelina was trained to work undercover, but not alongside sinfully sexy Morgan. Every day New York City police officer Angelina DiCarlo struggles to make it on her own merits. Between being a female and little sister of two of NYPD s finest and the daughter of retired chief, overcoming her colleagues misconception she was on the force because of her family connections was an everyday battle. An opportunity to work undercover finally comes along, but she will have to model diamonds at the exclusive millionaire s Diamond Club in a less than ladylike manner. Millionaire Morgan Sinclair s world is rocked when his best friend is found murdered. He will do anything to find those responsible and make them pay. As a millionaire and new member of the Diamond Club, the police recruit him to work as an inside mole to help them catch the killers. Will Angelina and Morgan be able to play their intimate role together without losing control or will their close encounters shatter their control?
