Brand New Book ***** Print on Demand *****.True love is priceless and any woman looking for true lasting love should never be careless when it comes to marriage. Always ask yourself this question: Is money and good looks worth being UNHAPPY in a relationship? Think about it! This is your life, marrying for money or looks is plain wrong. If Prince Charming or Mr. Rich man isn t right for you then you are better off with average Joe. Treat yourself like Precious Jewels. Don t settle for nothing less than True Love. I guess Nothing else needs to be said, I have said it all. But let me say this: Till death do us Part, should mean exactly that. Marriage is serious business. It is completely different from a relationship. A marriage is a union, an institution. When you get married everything changes. you become one. Sometimes you have to walk away from people, not because you don t care, but because THEY DON T. When someone hurts you time and time again, accept the fact that they don t care about you. No matter how much money they have or how good they look. It s a tough pill to swallow, but it s necessary medicine. Staying with someone simply for what they look like on the outside is like choosing your favorite food based on color instead of taste. It makes no sense. You can t chew on hot peppers all day long because red is your favorite color. Be good to yourself!.
