This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and i suggested this publication to learn.

FROM BOBBY HICK S CANDY STORE AND POOL ROOM TO THE PULPIT (PAPERBACK)

Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My book is about all the times my Lord and Savior was there for me, and I could not understand why he saved a wretch like me on that January of 81. I was a no-good sinner, taking pills, and smoking weed daily for almost twenty years, and I was hardly ever home. My poor wife took care of my five children. I was only there in spirit on weekends. God took me a used Band-Aid that was on someone s badly bruised skin. That was tossed in the street. He came to me in prayer and touched me with power. He opened my eyes for the first time, and I saw the truth: the lust, drugs, and my selfish ways were lifted from me, and for the first time in my marriage, I realized my wife was the only one who never left my side. My life changed that day. I was the prodigal son, and I came home. I felt all clean, and it was as if a heavy burden was lifted from me. It was a familiar feeling like I use to feel as a child when that voice used to talk to me and direct my path as I sold papers in the streets of East Harlem. That is when I realized he had been there the whole time, waiting for me to come home.
