This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Penguin Books Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 228 x 155 mm. Language: English . Brand New Book. Based on the award-winning series, Peppa Pig, Peppa Pig: First Sleepover is a sweet and funny story, perfect for encouraging new readers. Peppa Pig is going to her very first sleepover at Zoe Zebra s house. The most important thing about a sleepover is that you must not sleep! With music, a midnight feast and a scary story, can Peppa and her friends stay awake? Read it yourself with Ladybird is one of Ladybird s best-selling reading series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Peppa Pig: First Sleepover is a Level 2 Read it yourself book, ideal for children who have received some initial reading instruction and can read short, simple sentences with help.
