Jason B. Martinkus, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In Colorado, the summit is a place of majestic and awe-inspiring views, rest and renewed vigor. It is at the top that we are reminded why we stayed the course and fought for each step along the way. For men struggling with sexual integrity issues that is exactly what we need. This 12-week workbook is specifically designed for men on the path towards integrity and freedom. You will find strength for the journey through guided exercises to reconnect with God, as well as specific questions and conversation points to connect with other men. You will also find questions that engage your heart, mind, body and soul to help you know yourself better. In the end, as with any great hike, I hope you will find yourself reflecting on life and taking in the views from a different vantage point.
