Tuttle Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. This book is a comprehensive, expert guide to doing business in China. Western technology, management expertise and capital have fueled an incredible expansion of China's economy. Trade with China is at an all-time high, and so are the numbers of Westerners traveling to China for business. Business from China has also picked up as Chinese firms look to expand abroad. Understanding the ins and outs of the confusing and often contradictory Chinese business culture can lend an enormous advantage. The Chinese Way in Business is an invaluable tool that teaches Westerners the basic Chinese philosophy of doing business and how to cultivate strong personal relationships with Chinese business people and Chinese nationals.
