THROUGH THE KALEIDOSCOPE COLOURING BOOK: 50 ABSTRACT SYMMETRICAL PATTERN COLOURING PAGES FOR ADULTS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.50 original kaleidoscope pattern illustrations All abstract designs Full page designs with a border Mixed difficulty levels Single-sided printing Through the Kaleidoscope Colouring Book is an adult colouring book with fifty all-abstract kaleidoscope illustrations. These symmetrical patterns resemble full-page mandalas (with borders), and are very relaxing to colour. Most of the designs are of easy to medium difficulty, along with a few that are more complex. This book is perfect for adults and older kids, and will provide hours of stress-relief and enjoyment. All of the patterns in this book are designed by hand, and digitally mirrored for smooth lines and perfect symmetry. You won't find these original kaleidoscope art designs anywhere else! You can preview all the designs in this book on the author's website - for the URL, click the author name, and see the left hand sidebar. If you enjoy symmetrical pattern designs, you might also enjoy the mandala and pattern books from the same author. If you're using markers, it's best to place a sheet of scrap paper under the page you're colouring, to protect against bleed-through. There are spare pages at the back of the book for this purpose.
