

Health Care Management And The Law (Paperback)

By Donna K. Hammaker, Thomas M. Knadig

Jones and Bartlett Publishers, Inc, United States, 2017. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Health Care Management and the Law is designed for those who will be leading and shaping twenty-first century health care organizations. This unique text raises questions about health law issues such as emergence of the U.S. as a player in the global health care industry, innovative new approaches to the payer/provider model, and the future of tailored therapeutics. Throughout the text, the author addresses the challenges of what many view as a health care crisis in the United States and examines how laws must be reformed to create a system that works properly. The book bridges research and practice, reflecting new, real world knowledge of the health care industry and government agencies. The health law concepts in this text are practical; application of the concepts seeks to provide health care managers with sufficient knowledge of the law to become intelligent, critical thinkers in professional practice. Students will gain knowledge of when and why they should consult attorneys. Challenging, current administrative and judicial decisions are presented. Students can customize their learning experiences by selecting from thirty-seven topic chapters or studying a...

Reviews

Comprehensive guideline! Its such a good read through. It is actually writter in basic words and not confusing. I am just easily could possibly get a enjoyment of reading a composed book.

-- **Lonzo Wilderman**

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
