Turtleback Books, 2017. Hardback. Condition: New. Bound for Schools Libraries ed.. Language: English . Brand New Book. Mars in 1816 is a world of high society, deadly danger, and strange clockwork machines. Pterodactyls glide through the sky, automatic servants hand out sandwiches at elegant garden parties, and in the north, the great dragon tombs hide marvels of Ancient Martian technology. Twelve-year-old Edward Sullivan has always dreamed of becoming a spy like the ones he reads of in his favorite sci-fi magazine, Thrilling Martian Tales. Instead, he spends his days keeping his eccentric family from complete disaster . . . that is, until the villainous archaeologist Sir Titus Dane kidnaps Edward s parents as part of a scheme to loot an undiscovered dragon tomb. Edward sets out on a perilous journey to save his parents and protect the dragon tombs in the process. Turns out spywork is a bit more challenging than he had imagined. . . . Secrets of the Dragon Tomb by Patrick Samphire is a classic adventure story, full of fun, humor and heart with stunning illustrations by Jeremy Holmes throughout. The intergalactic fun and adventure continues in Book 2 of the Secrets of the Dragon Tomb series, The Emperor of Mars. Science fiction meets classic adventure tales in this quirky novel, and it s a real treat to know that it s the first in an intended series. The Bulletin.
