Building his multi-million pound empire from scratch, Leighton went from mobile nail therapist to inventor of the world's most expensive manicure and launching his luxury clinic in one of UK's most prestigious establishments, Harrods. Becoming one of the top-selling experts on the world's leading shopping channel, QVC, and with his coveted Crystal Nail File winning over a dozen around the world, Leighton has become a global brand. His roller-coaster life from school dropout to multi-award-winning entrepreneur is never short of drama, intrigue and showbiz encounters, but above all, it is an inspirational story of how one boy's unyielding determination led straight to success!.
