

They Say You re Crazy: How The World s Most Powerful Psychiatrists Decide Who s Normal (Paperback)

By Paula Caplan

INGRAM PUBLISHER SERVICES US, United Kingdom, 1996. Paperback. Condition: New. Language: English . Brand New Book. How are decisions made about who is normal? As a former consultant to those who construct the bible of the mental-health professions, the DSM (Diagnostic and Statistical Manual of Mental Disorders), Paula Caplan offers an insider s look at the process by which decisions about abnormality are made. Cutting through the professional psycho-babble, Caplan clearly assesses the astonishing extent to which scientific methods and evidence are disregarded as the handbook is developed. A must read for consumers and practitioners of the mental-health establishment, which through its creation of potentially damaging interpretations and labels, has the power to alter our lives in devastating ways.
