FABER FABER, United Kingdom, 2001. Paperback. Condition: New. Main. Language: English . Brand New Book. A guide to the landscape and manners of the island of Corfu. One of Lawrence Durrell s best books - indeed, in its gem-like miniature quality, among the best books ever written. Freya Stark This charming idyll depicts the country life and cosmopolitan society of Corfu in the years immediately before the war . . . The matter of it is as sound as the story is delightful. Sunday Times Corfu, that Ionian island whose idyllic yet blood-stained history goes back the best part of a thousand years, could not have found a fitter chronicler than Mr Durrell. For he is a poet, with all a poet s sensibility, and a humanist to boot, with a keen eye for character and a scholar s reverence for antiquity. Daily Telegraph.
