This release presents readers with the noteworthy literature they know and love. Volume XIV Chaos picks up where Volume XIII Deja Vu left off by continuing to showcase literary pieces that discuss everyday topics from family, faith, and love to literature, self-reflection and nature. The contributors in this issue do more than simply touch on these topics. They dive deep beneath the chaos that occurs in life. They go beneath the surface to uncover the treasures and the hidden beauties in life. Writers are specialists at this because they understand words. They understand that words have power and when used correctly they give life. They give life to dreams, hope to the tired, and freedom to the confined. The list goes on because the benefits are limitless. It s no wonder writers create art like they do. They have an infinite supply of tools at hand and boundaries are of no concern. In general, this publication contains poems and short stories that are contemporary in nature and reassuring to senses. Supporters of literature will not regret adding this publication to their reading collection. TL Publishing Group is well on its way to actively completing their mission, which is to support and strengthen the culture of literature.
