Eco Agents: Save the Planet (Paperback)

By D W Wilkin

Regency Assembly Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Our Earth is in trouble. Humanity has damaged our home. Billionaire scientist turned educator, Dr. Daniel Phillips-Lee, is using his vast resources to reverse this situation. Zedariah Carter, leader of the earth s most powerful company, is only getting richer, harvesting resources, with the aid of not so trustworthy employees. When the company threatens part of the world s water supply covering up their involvement is business as usual. The Ecological Conservation Organization s Academy of Higher Learning and Scientific Achievement, or simply the ECO Academy, high in the hills of Malibu, California overlooking the Pacific Ocean, is the envy of educational institutions worldwide. The teenage students of the ECO Academy, the best and brightest the planet has to offer, have decided they cannot just watch the world self-destruct. They will meet this challenge head on as they begin to heal the planet. Parker, Priya, JCubed, Guillermo and Jennifer are not just your average high school students. They are ECOAgents, trusted the world over with protecting the planet.
