It has been one of the aims of this book to show the remarkable contrasts in the lives of these great men who came out of the West. This old city of St. Louis, which was founded by Laclede in 1765, likewise became the principal meeting-place of two great streams of emigration which had been separated, more or less, since Cromwell's day. To be sure, they were not all Cavaliers who settled in the tidewater Colonies. There were Puritan settlements in both Maryland and Virginia. But the life in the Southern states took on the more liberal tinge which had characterized that of the Royalists, even to the extent of affecting the Scotch Calvinists, while the asceticism of the Roundheads was the keynote of the Puritan character in New England. When this great country of ours began to develop, the streams moved westward; one over what became the plain states of Ohio and Indiana and Illinois, and the other across the Blue Ridge Mountains into Kentucky and Tennessee. They mixed along the line of the Ohio River. They met at St. Louis, and, farther west, in Kansas. The Crisis is also known as The World Crisis.
