I am so sorry about the misfortunate happenings in your home. I am afraid I don t really follow Mrs. Reese. What on earth are you talking about? You know what I am driving at with all of this. You know that I am trying to tell you that your house is being haunted for a fact. Just make it a point of looking into it. Gabby paused for a while and thought that it was the best time for her to sip on the cup of sweet tea that Mrs. Martha Reese had given to her. She still didn t understand why it was very important for her that gabby started taking the investigations with a pinch of salt. But still, she didn t find any damn thing that was tangible enough to give her a reason to go after the mysteries. You know I don t have any evidence that will compel the force to start a background search for this so called mystery. What do you want me to do? I want you to do your job. That s all I want you to do at the moment. Gabby took another sip from her cup. It was clear that Martha Reese had a personal attachment to the house. and also, it seemed as though she knew a couple of things that gabby didn t. will she pursue the truth about the house or will she choose to ignore her? Keep on reading to unravel the mystery.
