

## The Art of Andy Goldsworthy

By William Malpas

Crescent Moon Publishing. Paperback. Book Condition: New. Paperback. 348 pages. Dimensions: 9.1in. x 6.1in. x 1.0in. THE ART OF ANDY GOLDSWORTHY Revised and updated, with new illustrations. This is the most comprehensive and detailed study of British artist Andy Goldsworthy, and is the only full-length exploration of Goldsworthy and his art available anywhere. The book has been completely rewritten and brought up to date for this new edition. Andy Goldsworthy makes land or earth art out of, among other materials, stacks of rocks, or stalks tied together, or mud thrown into rivers or poppy petals wrapped around boulders. His art is a sensitive, intuitive response to nature, light, time, growth, the seasons and the earth. Fully illustrated, with a revised text. Bibliography and notes. 348pp. ISBN 9781861714398. Also available in hardback. [www.crmoon.com](http://www.crmoon.com) REVIEW ON AMAZON A happily received gift. Its worth the price for one who wants a scholarly while earthy (sorry, couldn't help it) approach to the work. There's a quirkiness about the writing style that is engaging and honest. I'm glad I have the book and will reread it as I purchase other books on Goldsworthy where the work is shown via great photography. REVIEW ON AMAZON...
