Brand New Book ***** Print on Demand *****.Are you always forgetting your website logins, usernames and passwords? Do you have lots of sticky notes, old envelopes or labels around the house to remember them? Would you like to find a better way? History of Wales is a discreet password notebook that is disguised as a book about Wales. Add all your website information in one handy place to organize your internet life. The design is a password journal with a difference. It was created so that opportunist thieves won't know what it is at a glance. This means that you can hide it in plain sight on your bookshelf at home with other books. What you can expect from this internet password organizer: Tabbed effect alphabetical pages Are you looking for a password book with tabs? This password journal has alphabetical tabs running down the right page. Disguised cover to make it not so obvious what it contains There are several password logbooks on the market but this one was created so it could be hidden in plain sight. It looks like a book about Wales from the...
