Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Credence, the sequel to Misdirection, is the second novel in a series of international crime thrillers by Martin Link. Suddenly, SITE LOCKDOWN flashes on every single screen in GCHQ. Alpha team leader. Can you see what they re up to? No. There s a brief pause. What comes next is totally unexpected. I can t hear anything but I feel a sudden, ferocious earache, an incapacitating headache and nausea, and I crumple to the floor. In this James-Bond-meets-real-world thriller, MI5 man Lucas Norton once again finds himself caught up in a high-stakes assault when a sniper in a powerboat takes a pot-shot at his family. Could it be linked to the daring raid carried out at GCHQ, where thieves evade the world s tightest security to steal top secret ultra-high-tech equipment from under his nose? Lucas s first case (Misdirection) culminated in him, and the FBI, losing \$48m from an international heist. Now he and his crack team over at GCHQ have only a few days to figure out what the stolen tech can do and where the thieves have gone. It s a search that takes them from London s secret underground railway to a disused WW2 bunker, the FBI s Black Hawk launch bay, the US Embassy and the very heart of MI5. Can Lucas s team stop a brilliantly executed plot to hold the populations of London and New York to ransom? Credence will have you trying to outsmart the world s most advanced intelligence services - and the criminals who are one step ahead of them.
