Heinerth Productions Inc., 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Rebreather diving is one of the fastest growing segments of the underwater community. But, until now, easy-to-understand advice and guidance for novices has been hard to find. With this book, professional rebreather instructor Jill Heinerth helps divers navigate the complex, and sometimes intimidating world of rebreather diving. Providing clear, candid and straightforward information based on her decades of exploration and teaching experience, Jill leads readers through the history, basics and technical aspects of this remarkable, silent approach to diving. A valuable tool and a good read for beginners and accomplished SCUBA divers, The Basics of Rebreather Diving is generously illustrated with full color photographs, charts and drawings. Jill adds just the right amount of rich personal anecdotes to provide an insider's viewpoint about the past, present and future of rebreather diving. Anyone considering or currently diving a rebreather, will find in this book a wealth of knowledge and an enjoyable addition to their diving library.
