In an effort to get her security consulting business off the ground, Kelsey Allen has been spending a lot of time up in the air, rappelling down buildings and climbing through windows to show business owners their vulnerabilities to thieves. When she is hired to pose as a conservator at the Pink Palace Museum in order to test their security weaknesses after some artifacts go missing, she s ecstatic. But when her investigative focus turns from theft to murder, Kelsey knows she s out of her league--and possibly in the cross hairs. When blast-from-the-past Detective Brad Hollister is called in to investigate, Kelsey may find that he s the biggest security threat yet . . . to her heart.
