

In the Beginning (Hardback)

By John Christopher

Aladdin Paperbacks, United States, 2015. Hardback. Book Condition: New. 211 x 145 mm. Language: English . Brand New Book. Love proves ancient as time itself in this prehistoric adventure romance from critically acclaimed Tripods author John Christopher. In the beginning, many, many years ago, there were two tribes. Dom was a boy from the hunting tribe, and Va was a girl from the farming tribe. The two tribes fought, but that couldn't stop Dom and Va from falling in love. In the midst of battle, Dom escapes and takes Va with him. Together, they journey across the stark landscape of eons past, learning about the harsh and aggressive world around them even as they learn more about the creative and peaceful feelings within themselves. In the Beginning includes the prequel short story In the Beginning and the novel Dom and Va, and marks a captivating departure from John Christopher's other, futuristic work: this is a tale of the distant past, and of a beginning that represents the conflicts inherent in human nature--and the dark and light in all of us.
