It s a little something I thought up once I d seen how damn smoking hot you are. It s simple. We take it in turns to name a word following through the letters of the alphabet, but it has to relate to sex in some way. In April 2013 I released my first self-published novel, The Alphabet Game. The book is an erotic romance/suspense, with two storylines running. The cat and mouse game against their mutual enemies and the playing of the sexual alphabet. I love to hear from readers who have enjoyed the series and a couple of readers said they were going to play it now they d read it. This got me thinking. What about if I actually put together a companion guide, a bedside table tome that you can play. So here it is. Enjoy!
