

The Old Masters (Paperback)

By Jeffrey Graessley

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Old Masters erects poetic monuments to such great American male writers as Hemingway, Fitzgerald, and Bukowski and at the same time knocks those grave stones askew with the insertion of poems about Albert Camus, Emily Dickinson, Sylvia Plath, and -- most surprisingly -- Joan Vollmer, William Burroughs wife and (accidental?) victim. Jeffrey Graessley's poems poignantly articulate the postmodern son's wish to emulate and embody the best of the modernist father. But that admiration battles with his increasing sense that the great men (and two great women [and one dead wife]) are not parents at all, but siblings - flawed, often addicted creators looking for the same things the poet is: a new way to speak artistically. The poems here delicately enact a struggle that is once mournful, insightful, and timely. Stephanie Barbe Hammer, author of *How Formal?* and *Sex with Buildings*.

Reviews

This is the finest ebook i have got read through till now. It really is full of wisdom and knowledge You wont sense monotony at anytime of the time (that's what catalogs are for relating to in the event you ask me).

-- **Mr. Edison Roberts IV**

It is straightforward in read through better to recognize. I could possibly comprehend every little thing using this published e pdf. Its been written in an extremely basic way and is particularly merely following i finished reading through this ebook through which really transformed me, alter the way i believe.
