Simon Schuster Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. There is an old joke among skiers, usually put to other fans of the sport as a question: what s better, sex or skiing? The answer is a given, but the hesitation in answering, that moment of serious consideration, is cause for humour. Extreme skiers get it. They know skiing isn t just a sport; it s a lifestyle, one inextricably bound up in the notion of adventure. This book is all about that adventure, that call to some of the world s best known, and unknown, slopes. Its about downhill racing, and the sophisticated, international club of competitors and the upstarts who occasionally beat them. Throughout this book are skiing s stars, such as Bode Miller, Stein Erickson and Jean-Claude Killy. This is a book about riding on the edge of danger and surviving it, about the thrill and focus of competition, and the thrill of rescue. It is a book of people; some quirky, some delightful, some strange, some just plain crazy, but all of them drawn to White Heat, the extreme skiing life.
