Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Turning The Page: A Chit Chat About Choices is a compilation of chats including a devotional section with questions for self-reflection. I had several chats with women who shared how the choices they made got them to the next page of their amazing gut wrenching stories. Some of the chats highlighted include stories about weight loss, depression, colorism, finances, adoption, sexual abuse, illness, marriage, boundaries and teen pregnancy. These stories will elevate, empower and motivate all of us to keep turning the page no matter how challenging things get. The women in Turning The Page: A Chit Chat About Choices were transparent and courageous enough to share intimate details about their lives. It is my hope that as we move around our daily schedules, we would be more patient with each person God puts in our path. We don't know what page of their story they're on. I pray each one of us would extend more grace to one another every single second, minute and day of our lives.
