

Key to High Scores on Standardized Tests

By David W. Felder

Wellington Press. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 10.7in. x 8.2in. x 0.6in. Key to High Scores on Standardized Tests is based on the logic used in test development. Test compilers use pools of questions, each of which is based on a different principle of logic. Each chapter starts with questions based on the simplest principles and builds up to the most difficult, which makes this text an enjoyable challenge. After a sample question, the relevant principle of logic is introduced, and this is followed by practice questions. Students using this text to prepare for the ACT, SAT, GRE, LSAT, and other standardized tests say it is more useful than courses that cost hundred of dollars. Unlike courses that cover test taking skills, this text also covers the actual intellectual skills that the standardized tests cover. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This is actually the finest ebook i have study right up until now. I have got study and so i am confident that i will going to read through once again yet again in the foreseeable future. I am happy to inform you that this is the finest publication i have study inside my personal lifestyle and may be he very best pdf for possibly.

-- **Hobart Anderson II**

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.
