Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from My Job and Why I Like It Having spent many years of my life rubbing elbows with other workers, I was convinced that these prophets of doom had complete ly missed the boat. Their published articles did, however, sharpen up the challenge to get the facts - and the facts are indeed refreshing. A bit of simple homespun philosophy has run like a thread through all of the material issued during the contest and that is - Let s look at the doughnut instead of the hole. It s just as simple as that. The answer or rather the answers to the second question are re?ected in the comments of the judges and are also summarized in Mr. Wilson s remarks beginning on Page 174.
