Brand New Book ***** Print on Demand *****.Are you an advanced beginner or early intermediate level guitarist? Are you looking for a new, exciting and fun way to look at your guitar so that you see it with fresh eyes? Then Single String Exercise-Songs - Curious Creatures may be just what you re looking for. It offers a refreshing way for you to develop your musical knowledge while having fun exploring and exercising your fingers horizontally along the fretboard of your guitar. With 12 oddly curious and memorable original exercise-songs written specifically for your level, this book is an excellent companion to you who are looking to discover the next foundational level in your guitar development. Single String Exercise-Songs - Curious Creatures is an ideal follow up book for students who have already learned and mastered the songs in Single String Songs Vol. 1 . These exercise-songs can be learned quickly and mastered with some effort and with no lack of silly strangeness along the way! Makes use of an easy to understand numbering system (known as Single String TAB). By focusing on just playing on one string at a time, you can be free to experiment and learn the horizontal nature of your guitar fretboard very naturally! This book is designed to allow you to enjoy letting your imagination guide you in your learning process. It is meant to inspire you to see the guitar in new and exciting ways. BENEFITS: Get ALL four fingers moving Challenge yourself in a fun way Learn advanced musical concepts Access jazzy rockin play-along tracks online Perfect for the super busy person Let your intuition imagination guide you Works on ukulele too (using the E2 string) Gain exposure to MANY chords in...
