Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Dover Publications. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. George, William, and J. agree on one thing. They're overworked and need a rest. A week on the rolling deep they decide may be just the thing! So off they go with Montmorency, the dog, anticipating the joys of long, lazy days during a glorious Victorian summer. What happens to these bungling bachelors on a two-week rowing excursion up the Thames provides fodder for one of the best-known classics of English humor. Jerome's timeless comedy follows the trio's misadventures as they struggle with camping equipment and meal preparation, confront rampant hypochondria and unreliable weather, and contend with other disasters all of which trumpet simple truths that still resonate today. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
