Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a list of 913 completely idiotic ways that you can be a jack ass! Be aware that I did not have this edited. I realize this is a major mistake, and if I were to attempt writing again, I won t make it again. The formatting is bad and there are even grammatical errors. Believe me.this disappoints me as well. This being said, if you like to READ, this book is probably not for you. If you like to LAUGH, then I guarantee you will laugh. If you like to read and laugh, then hopefully you can look past the errors. Some ideas here might be offensive to some, and there is some mild profanity. But, it s funny.
