THE GREAT VALLEY (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is appropriate, no doubt, that Masters should be less selective than Frost - the West is less reserved than New England. Against Frost s one hundred pages we have nearly three hundred from Masters, and The Great Valley is his second book of this year. The watchful critic must regret much of it; especially he must wonder, to the extreme of amazement, why the poet should have reverted to Marsyas and Apollo at Pherae, which are in the mood of those early books whose academic unexpressiveness will always be one of the curiosities of literature. But one must take a poet as he is, and this poet has to pour out whatever is in his heart, and leave his readers, or Father Time, to do the sifting. He has to do this, moreover in a spirit of careless abundance which throws off magic lines in a mass of coarser texture - flowers, grasses and weeds together under a brilliant and generous procreative sun. But this is the prairie s exuberant way - one must look at this poet, not in close detail, but in the mass. Thus one may get from him, as from the prairies themselves, a sense of space and richness. One feels in him too the idealistic vision of a man accustomed to far horizons - that impatience with things near, things more or less faithless to the imminent beauty, and that relief in the contemplation of things remote, beauty s survivals or prophecies. This chaotic half-baked civilization, growing up out of these broad and fruitful plains into dull little towns and mad great cities, all fitfully, inadequately spiritualized - this one feels in Mr. Masters books. One...
