

The Rebirth of History

By Alain Badiou, Gregory Elliott

Hardback. Book Condition: New. Not Signed; In the uprisings of the Arab world, Alain Badiou discerns echoes of the European revolutions of 1848. In both cases, the object was to overthrow despotic regimes maintained by the great powers - regimes designed to impose the will of financial oligarchies. Both events occurred after what was commonly thought to be the end of a revolutionary epoch: in 1815 the final defeat of Napoleon and in 1989 the fall of the Soviet Union. But the revolutions of 1848 proclaimed for a century and a half the return of revolutionary thought and action. Likewise, the uprisings under way today herald a worldwide resurgence in the liberating force of the masses - despite the attempts of the international community to neutralize its power. Badiou's book salutes this reawakening of history, weaving examples from the Arab Spring and elsewhere into a global analysis of the return of emancipatory universalism. book.

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
