## Store Front (mini Edition): The Disappearing Face of New York (Hardback)

By James T. Murray, Karla L. Murray

Gingko Press, Inc, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Store Front (Mini) is a new, compact version of the critically acclaimed bestseller Store Front: The Disappearing Face of New York, by James and Karla Murray. The Murrays brilliant documentation of New York's irreplaceable, generations-old storefronts has made headlines all over the world. For many of these establishments, the photographs mark the end of a legacy. In the wake of gentrification, vital facets of New York's cultural heritage are disappearing at an alarming rate. Store Front (Mini) immerses the reader in a virtual tour of NYC at its most authentic. From tiny stores tucked away on narrow side streets to well-known institutions on historic avenues, this book presents the individual images and shop owner stories that together make up a collective history. Up until now, there has been little attention paid to New York's storefronts; this book reverses that glaring omission and makes clear that the spirit of New York City is etched in its facades.
