Berkley Books, 2013. Hardback. Condition: New. Language: English . Brand New Book. Welcome to Angel Island. Its captivating spirit can be felt from the shores of its windswept beaches to the heights of the spectacular Angel Wings Cliffs. The island is said to harbor angels who help guide the lost, delivering them from despair and darkness into the golden light of love and faith. From end to end, Angel Island s shores are awash with love. Claire North understands how Angel Island sets the rhythm for her own serenity and ease. But a visitor to the island has disturbed her peaceful heart. She knew him as a troubled boy who came to her soup kitchen in Boston, full of half-truths but brimming with trust and seeking nourishment for body and soul. She wasn t able to say good-bye to him then. Now, miraculously, a second chance to help him has come. Jamie Carter, now a young man, is more in need of Claire s wisdom than ever. She is elated over the reunion but soon suspects he is back to his old ways. She wants to believe in the possibility of change but her faith is truly put to the test. On the other side of the island, Avery Bishop is also working hard to make a fresh start. Newly single, she pours her independent spirit into opening a new cafe. Her culinary school training and stylish taste are scoffed at by Mike Rossi, who owns the cozy cafe across the street. But Avery is determined to show this burger-flipping hero a real cook has arrived. If only Mike s charming smile and laughing eyes didn t make her forget so easily that he is her fiercest competitor.
