Archway Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Union Lake, Carla Porch explores the enduring notions of home, individuation, and belonging by bringing together seemingly disparate themes: American Indians, samba, Henry Miller, generational interplay, and the decline and rebirth of the natural world. This lyrical memoir offers a moving glimpse into a coming-of-age journey from a little girl who experiences a seemingly idyllic childhood in southern New Jersey to a mature, urbanized woman in New York City who eventually learns to embrace the joy, sorrow, chaos, and simplicity that have highlighted her growing awareness as a child and daughter, and later on in her developing roles as mother, wife, and artist. Barefoot, I cross through the grove, wearing only a bikini and a beach towel around my neck. I go in waist deep and splash my arms to get used to the cold water. . After doing laps without counting, I turn my direction ninety degrees and flip over on my back for the dead man s float. My arms move ever so gently, propelling forward and paralleling the manmade beach of misplaced, foreign white sand. When I reach my destination, my arms stop. Each one stretches to its farthest point, keeping me afloat over to where Mrs. Fitch s boathouse had once been. -from Indian Summer.
