By Alex Demetris

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Dad's Not All There Any More: A Comic About Dementia, Alex Demetris, "Louie what?" John's dad, Pete, was already diagnosed with Parkinson's disease when he began to have some very strange experiences, not least of which was the little red-haired girl who followed him around the house. Eventually diagnosed with Lewy Body Dementia (LBD), his hallucinations and other symptoms became more frequent and intense, and Pete moved into a care home. Based on his family's experience of his father's LBD, Alex Demetris' comic explores with tenderness and humour one of the most common yet often unheard of types of dementia; what it is, its symptoms, living in a care home and the impact on people living with the condition and their families.
