Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Seven mysterious points of light silently glide above Zia Trader s Flea Market in the predawn, New Mexico sky. Jasper Kelso, desperate to sell his prized science fiction memorabilia collection, is among the traders waiting for the market gates to open. Spellbound, they watch as one of the lights falls from the sky, landing in the nearby Jemez Mountain range. Jasper is invited to join a sage Lakota cow skull dealer, a plushy, stuffed goddess and jewelry artisan and her powerful wife, a mystically cool, witchy vegan. Together, they seek out the alien light. As the quirky band makes their way through the high desert mountains, enjoying cannabis cookies and other, delightful snacks, they unknowingly stumble into a psychedelic adventure. As they align with the ancient energies of the land they discover a promise of spiritual awakening, not only for themselves, but for the entire planet!.
