Date :2009-12-1. Dear teachers. parents and students. friends. presents in front of this teacher coaching series is a close contact with teachers and students to teach. learning process. student reading. Widespread implementation of new curriculum in the national context of the reform. we have enlisted a group of organizations working in the province of special education line. senior teachers. the preparation of this with the compulsory curriculum standard textbook that matches the supplementary series. designed to carry forward the spirit of curriculum to help teachers and students to remove the teaching. learning disorders. It has the following three features: new content. The series marked the latest materials to class modeled. fully reflect the guiding ideology of the new curriculum standards. closely linked to materials. layers of depth. explaining. for example. Buddhism and practicing the Trinity test. and strive to explain the content and training in the penetration of knowledge and ability. process and methods and emotional attitudes and values. Books Columns scientific novel. into a lot of flavor of the times and close to the real life of the new material. Questions in the book are selected according to the latest small rise in early or in the examination requirements designed to allow readers to advance intervention. refreshing. Explain thoroughly. Books can firmly grasp the material. both nuanced explanation materials. not rigidly adhere to materials in layman's language. Detailed analysis of the key and difficult talk. to explain thoroughly the basic problem. Explained by a knowledge point. can be extended to the background. features. special case. counter-examples. and so on. And special attention to knowledge point and face contact. teaching and...
