Wiley-Blackwell, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " Ten Virtues of Outstanding Leaders is an extraordinarily insightful, compelling, and timely discussion of the very foundation of leadership--the character of leaders. Al Gini and Ronald Green powerfully and persuasively make the case that it's imperative for leaders to be attuned to their ethical responsibility to others. And they are right. All the programs to develop leaders, all the courses and classes, all the books and tapes, all the blogs and Websites offering tips and techniques are meaningless unless the people who are supposed to follow believe in the person who's supposed to lead. In an era in which it often seems that anything goes, it's vital that every leader and every leadership educator take Gini's and Green's message to heart. It's vital not only to their personal success, it's vital to the long-term viability of our society. Ten Virtues of Outstanding Leaders is a must-read, and I urge you to get started immediately." --Jim Kouzes, coauthor of the bestselling The Leadership Challenge and The Dean's Executive Fellow of Leadership, Leavey School of Business, Santa Clara University " Ten Virtues of Outstanding Leaders is a thoughtful and thorough exploration of that knottiest of all leadership questions - what constitutes "good" leadership? Gini and Green have been wrestling with related issues for years, and it shows. The book is a valuable contribution to the never ending discussion of what it takes to lead wisely and well." --Barbara Kellerman, Harvard Kennedy School, and author and editor of many books on leadership and followership including, most recently, The End of Leadership and Leadership: Essential Selections on Power, Authority, and Influence "Few leadership books mine the field of philosophy for its practical knowledge. Few use the treasury...
