Cnr Enterprises Incorporated, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In a world that has been ravaged by violence and corruption, global corporations have come into power, replacing both government and state. Individual thought and freedom of expression no longer exist. Religion has been disbanded, international currency abolished, greed and apathy have permeated our communities. The System is now in control. The masses are victimized by those in power, forcibly placed into caste systems and given little choice but to obey. Naive to the true goals of The Amalgam, they walk a path that has been pre-determined for them ages ago. It is a design to both corrupt and exploit humanity; to weaken their will and to bring about a subversive allegiance to The System. But rebellion has sprung forth from the chaos, sowing seeds that will soon lead to all-out war! For some, The System is a cancer that must be eradicated and stopped, no matter the cost. For others, it is a blueprint for control and the beginning of a far greater purpose. For Cole Methis, it will become the greatest struggle he has ever faced and a treacherous path towards his ultimate destiny! Swept up in a game of intrigue and ever-present danger, it will be he who finally decides his own fate.
