Amazon Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Even as a child listening to the hushed, fearful stories told around dying fires of the loup garous that prowled the Louisiana prairies and ghosted through dark swamps, Tony Boudreaux always viewed them with the skepticism of an enlightened individual. Cauchemars turning living creatures, both human and animal, into supernatural beings was the fodder of middle age ignorance. But when the body of a prominent banker is discovered in the belly of a sixteen-foot alligator and Tony agrees to look into the incident, death latches onto his scent like a cottonmouth water moccasin stalking a wounded swamp rabbit. Deep in the dark bayou, surrounded by bellowing alligators, Tony learns the truth he hated to admit while trying to unravel the mystery of the banker s murder.
