Vintage Publishing, United Kingdom, 1996. Paperback. Condition: New. Language: English . Brand New Book. The characters in this extraordinary book are often - on the surface - depraved, vicious, cowardly and manipulative, but their essential humanity is never undermined. Two professors of philosophy turn pugilists; Leith removal men become the objects of desire for Hollywood goddesses; God turns Boab Coyle into a house-fly; and in the novella, A Smart Cunt , the drug-addled young hero spins off on a collision course with his past. The Acid House is a bizarre, disturbing and hilarious collection from one of the most uncompromising and original writers around.
