AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Stop! You have found it! This is the one. Your search for the answer to Healthcare Reform is over. This book is the one to read. Why? It is unique, concise, an easy read, informative, educational, and not bogged down by extra bulky text that only serves to thicken the book and confuse the reader. It doesn't waste your time with meaningless or superficial material. This book is written by a Board-Certified Physician specializing in Internal Medicine with many years of experience, an impeccable record, an analytical mind, and a lot of common sense. Instead of wasting time discussing the secondary and peripheral features of the chaotic ways of the Healthcare system, this Insider strips away the nonsense and simply educates the reader about the few core issues that are the REAL causes of the Healthcare mess. Only an insider of this caliber knows the real deal. His insight is astounding. This quick read gets right to the point. After you are done reading this book, you are guaranteed to know all you need to know to understand the problem. It really is quite simple. You will be amazed! This book discusses the vital issues that you need and want to know. Will you be able to continue seeing a REAL physician or will the Primary Care Physician become extinct? How did our Healthcare delivery system evolve to such disarray? Who are the actual culprits behind the determination of what really goes on? Where do the Lawyers and Insurance companies fit into this equation? You'll be surprised! How much control over your healthcare treatment does your Primary Care Provider really have? What is going on behind...
