Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ann Marie Ruby, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a prayer book for all race, color, and religion. May all unite for there is one Creator and we are the creation. This book contains 100 prayers and is not affiliated with any religion. May this be an inspirational friend throughout your journey of life. Songs are the sweetest energy of life. They bring to union all race, color, and religion. A song for me is also a prayer, a spiritual awakening where my love for all humans comes to life. Through this, we the creation unitedly can call upon our Creator without any religious affiliation, where peace, harmony, and bliss exist. Nothing more. Nothing less. Here, a Christian, a Muslim, a Jew, a Hindu, a religious individual, or one with no faith at all can unite in a heartfelt song we sing together while keeping our own faith and including all humans as the children of The Creator. Let us the judged not be The Judge. Every day, I repent for the unknown sins of the mind, body, and soul. I pray for all humans to be just friends, to be just nice to each other. May our actions not ruin a day for a neighbor or a stranger because we choose our own way of life. May our paths, even though different they may be, create a bond of humanity amongst all the humans. These thoughts came pouring down onto my lap as I was gifted with blessed dreams from Heavens above. I believe in dreams as they have guided me throughout my life. Some dreams I have shared with others and some I have kept within my soul. I have kept a diary of my dreams as they...
